Dear Honored Guests:

The State of Maine invites you to join us in South Portland, Maine for STRIMA's 2018 Educational Conference and Business Meeting held September 16-20, 2018. Join with your peers and colleagues in beautiful coastal Maine for a great educational week.

The STRIMA Executive Committee has planned the educational agenda to address today's challenges focusing toward tomorrow's solutions. As always, the centerpiece of our conference will feature the State's Roundtable sessions and Reverse Roundtable. Attention will be given to the challenges and successes of yourself and fellow State Risk Management professionals.

Registration is open and available on the STRIMA website (www.strima.org) for your convenience. An individual's state or company must have a paid membership to attend the conference. If you have not paid your annual organizational membership dues, please do so. Your membership ID and Password are required for conference registration. If you need assistance with log-on or for your ID or Password, please contact our webmaster at webmaster@strima.org. When registering for the conference and selecting the STRIMA "register now" link you will be taken to our Cvent registration module for the easy registration process.

Questions regarding sponsorship can be directed to STRIMA President Melody Duke at Melody.A.Duke@wv.gov. Questions related to educational sessions can be directed to the STRIMA Education Committee Chair Mandy Hagler at mhagler@admin.nv.gov.
